INTRODUCTION

The statistical information contained in this report is compiled from financial statements furnished by each City, Town, Village, County and Municipal District. Information regarding Improvement Districts is taken from Department records, and for Special Areas, from the records of the Special Areas Board.

All statistical data is for the calendar year ended December 31, 1970, with no change in the style of presentation from the previous year.

The Town of Lodgepole reverted to hamlet status under the jurisdiction of the County of Parkland No. 31 on March 1, 1970, changing the total number of towns covered by this report to 100 as compared to 101 in 1969.

Two hamlets gained local self government in 1970 as Summer Villages under the provisions of The Municipal Government Act. The Summer Village of Sundance Beach on Pigeon Lake in the County of Wetaskiwin, No. 10 and the Summer Village of South View on Lake Isle in the County of Lac Ste. Anne, No. 28 were incorporated as of January 1, 1970, increasing the total number of villages from 167 in 1969 to 169 in 1970.

The number of Municipalities covered by this report in the other categories remain the same as in the previous year at 9 Cities, 30 Counties, 18 Municipal Districts, 24 Improvement Districts and 3 Special Areas with the City of Lloydminster reporting to the Province of Saskatchewan.
